

ETI 57 Trail Ride

Grab your horse and a friend and join us on Saturday, June 30th for an easy ride through the Ventura River Land Conservancy. We will cross the river and venture through the Enchanted Forest, and take a break in the meadow before heading back down to the river bottom. Load up your saddlebags with a snack and your favorite beverage. We head out at 10:00 am from the Oso trailhead for 2 – 3 hours of riding. Check in with Trail Boss Gregg by 9:30 am to sign waivers or fill out membership cards.
